India's Master of fabric and fantasy, Rohit Bal is best known for his timeless appeal with a modern twist, as well as his extravagant and completely free spirited designs.

The designer draws on history, fantasy and folklore to create amazing masterpieces that are desired by discerning aficionados all over the globe. From village traditional crafts to the transient phenomenon of the sub continent's urban landscape, the designer brings them all to life in his spectacular yet original language.

'Making something out of nothing' has been the style mantra of Rohit Bal ever since he set his genius self into the kingdom of fashion. He has a deep understanding of the psyche of the fashion world and it reflects in his collections that are intelligent, studied, imaginative and completely innovative yet always relevant and awe-inspiring.

The Rohit Bal collection is the culmination of his signature designs and affordable luxury coming together.

The image features a dark, textured background. On the left side, there is a vibrant, stylized illustration of a peacock. The peacock is primarily blue with a red patch on its neck and a green and blue patterned tail. It is surrounded by various tropical plants, including large red and yellow flowers, green leaves, and a palm tree. The word 'SCARVES' is written in a white, serif font on the right side of the image.
